Hello and welcome to DAD 2019, our 28th annual event.

A huge thank you to Expanse Learning Group and Harry Fairclough Construction for their support as our new joint Principal Sponsors for this year’s event; and St Mark Universal Copts Care, for their support as Prime Sponsors of our DAD Week events and Arts Marquee.

Next, thank you to all of our Corporate Supporters for their financial and in-kind donations and members of our DAD Management Team, who have worked tirelessly for the past twelve months in preparation of this year’s event.

This year’s DAD has come after a busy week of ten complimentary events, which started on Monday 8th July at Walton Hall and Gardens, launching a fun-packed and informative week. None of which would have been possible without the support of our partners: local Schools, the Manchester based Heroes Project, North West Boroughs Healthcare NHS Foundation Trust, Ella Performance Group, Together Warrington, Warrington Wolves Foundation, Warrington and Halton Clinical Commissioning Groups, Job Centre Plus and our great team, both on site at Walton Hall and Gardens and back in the office at the Centre for Independent Living.

Visitors to this year’s main event will have lots to choose from with over 200 exhibitors including charities, statutory service providers and businesses, a Sports Zone packed with have-a-go events, an Arts Marquee hosting some of the UK’s top disabled artists, a Main Arena and children’s entertainments.

Our local event here in Warrington continues to inspire disability related events around the world. This year’s partners includ: ‘Closing the Gap’ a user led organisation in Cameroon who have an amazing leader Takang Aya Ayuk, the ‘MESSAGE Institute’ from India, “1 Step 2 Step” charity based in Thailand and the ‘Centre for Disability and Rehabilitation’ in Uganda.

I am proud to say that during the past twenty-seven years, we have created what has become, not only Warrington’s largest community event, but the world’s largest voluntary led pan disability event.

The event promotes a ‘can do’ culture focussing on ‘what disabled people can do’, which helps to dispel the myths about what disabled people can’t do.

Some exciting news, weeks before this year’s event, we held a meeting with one of our strategic partners to discuss plans for DAD29 and DAD30. Both events will include themed activities promoting the 2021 Rugby League World Cup that will be held here in the UK, of which three games will be played in Warrington, as well as Physical Disability and Learning Disability matches. We certainly didn’t expect to be doing that back in 1992……

Finally, I would like to thank everyone who shares and supports the DAD dream, and special thanks to our volunteer stewards and helpers aptly named DAD’s Army, our exhibitors and of course you, our visitors. We hope you have an enjoyable, informative and inspiring day at DAD 2019.

Are you ready for a Supported Internship?

Expanse Learning Supported internships are a structured study programme based primarily at an employer in or around Warrington. Our Supported internships enable young people aged 16-24 with an Education, Health and Care plan to achieve sustainable employment by equipping them with the skills they need for work, through learning in the workplace.

Alongside their time with an employer, young people complete a personalised study programme which includes the chance to study for relevant vocational qualifications, and appropriate, English and maths. Expanse Learning are working in partnership with Warrington Disability Partnership to provide Supported internships for young people within Warrington. With our combined knowledge we are able to offer Supported internships with employers in almost any sector.

Do you need help managing your affairs?

Who’s managing the property & finances?
Has a full financial assessment been carried out?
Are the right benefits being claimed?
If not, we can help.

Many people don’t know where to start when it comes to protecting their, or a loved one’s, finances whilst in care.

At Slater Heelis we have a dedicated Court of Protection team, headed by a Court appointed Panel Deputy, who can take on cases where a financial Deputy is required.

As Court of Protection specialists, the Private Client team currently act on behalf of elderly people to manage day-to-day financial affairs to ensure the protection of short and long-term care needs.

Our experts can help with:
- Court of Protection applications
- Acting as your Attorney or Deputy
- Financial planning & management
- Liaising with the Local Authority on your behalf
- Power of Attorney
- Tax planning
- Wills

Contact Chris Partington, Panel Deputy and Head of the Slater Heelis Private Client team, to discuss how we can assist:

Warrington Disability Partnership (WDP) is an internationally acclaimed user-led charity. With over 28 years’ experience of developing and delivering mobility and independent living services, our aim is to support disabled people and people living with long term health conditions. We are proud of our wide-ranging services, which include:

**Promoting Independent Living**

Visit our Centre for Independent Living (CIL) located on Beaufort Street, Warrington, the Disabled Living Centre at the Lifehouse on Brunswick Dock, Liverpool or our Mobility and Independent Living Store in Golden Square, Warrington. We offer showrooms full of the latest equipment from baths, showers and kitchens to beds, wheelchairs and stair lifts and much more. Independent advice is available from our team of trained staff and volunteers, as well as a short term hire service for various equipment, including wheelchairs and scooters.

Our recent additions, the Smart Flat demonstrating the latest assistive technology solutions, based at the CIL and a new Mobility and Independent Living Service based at Warrington Hospital offer further information, advice and guidance.

Our popular Disability Helpline (01925 240064) offers advice and support for local support groups and services, access, transport and much more. The Helpline, predominately staffed by a team of volunteers, also provides details on the wide range of services offered.

The OWCH Pain Management and Beyond the Scars support group helps and supports local disabled people in relation to the self-management of Chronic Pain.

Our Shopmobility Scheme in Legh Street Car Park, Warrington offers both scooters and wheelchairs for use within the Town Centre. They are available for hire to both members and day visitors, Monday to Saturday (9am to 5pm). A six-month membership costs just £10.

The Scoota Safe campaign promotes the safe use of equipment for mobility scooter users, raising awareness of road safety to prevent accidents and injury whilst using equipment. The scheme provides practical support, advice and training and using and maintaining a mobility scooter.

The internationally recognised Phoenix Project, in partnership with St Marks Universal Copts Care, has seen over 2,500 pieces of mobility equipment (otherwise destined for landfill) sent to people in need in Egypt, Thailand, Syria and to refugees in Greece.

Our Independent Living Team (ILT) provides a support service to disabled people living in the Warrington area who use the Direct Payments scheme via Warrington Borough Council, enabling them to live independently by employing Personal Assistants. The team supports the client with the setting up and running of their Direct Payments, assisting them in their individual roles as employers with information, assistance and advice in relation to recruitment, DBS checks, pension schemes and contracts with support from our in-house payroll team.

Our Care and Support advisor promotes the use of Personal Health Budgets throughout the Warrington area, allowing greater choice and control over how and when care is delivered. The advisor works with the client to produce a support plan, liaising with the Clinical Commissioning group to ensure with regards to individual budgets.

**The Disability Trading Company Limited**

WDP’s trading arm – Disability Trading Company (DTC) offers high-quality independent living products at competitive prices. Running as a Social Enterprise, all profits are donated to WDP to support many of our unfunded services. For details of the services offered through the trading arm, please see page 29.

**Employment & Training**

Our award-winning Employment Team is proud to specialise in supporting local disabled people with a health condition (including mental health); ESA claimants and those in receipt of incapacity-related benefits. The team supports individuals through all stages of the employment process, enabling them to make more effective choices about skills, careers, work and life. Support is tailored to the individual’s needs and can include job searching, writing a suitable CV, completing application forms or preparing for interview. One to one support or weekly drop-in sessions are available depending on the needs of the individual.

We also support people who are in work, as well as employers by giving information about reasonable adjustments in the workplace. This includes the Access to Work Fund, the Disability Confident Scheme and the Mindful Employer.

Visit the Marjorie Griffiths Learning Centre (MGLC) on Beaufort Street and take advantage of a whole host of courses, which are designed to not only to educate, but also inspire. Many of courses are held in the Discover IT Suite and include ‘Computers for the Terrified’, OCR qualifications and pre-
employment IT. In addition, a number of other courses are available, which include flower arranging and creative writing.

We work closely with a number of local charity and voluntary organisation to provide a place for groups to meet and offer support to their members. Our well-equipped meeting and training rooms are also available to hire at a reasonable cost with catering offered, where required, from our on-site Galleries Community Café.

WDP delivers a variety of training including Equality & Diversity, Disability Confident and Disability and Sex Matters. Half-day training sessions on are available to service providers, voluntary organisations and individuals in order to build knowledge on these issues and consequently gain a valuable insight.

**Accessible Holidays & Days Out**

Our fully-accessible holiday homes in Pensarn and Rhyl, North Wales (‘Grenadier’ and ‘Guillemot’ respectively) and our adapted, wheelchair-accessible narrow boat The Wizard are available for hire at very competitive rates. With a range of options, they give the opportunity for a bargain break or day out on the water!

**Opportunities to Socialise**

We run a variety of Luncheon Clubs for individuals who are looking for friendship, activities, fun and - of course - lunch! Our over 55’s clubs meet every Tuesday, Wednesday and Friday from 10am to 2pm (come as often as you like). As well as enjoying a 2 course lunch and drinks together, attendees also enjoy playing bingo, games, quizzes, chair-based exercises, and guest speakers. Our Monday Club caters for the under 55’s with a wide variety of activities including social activities, arts and crafts, bingo and photography. There is a small charge of £5 for the sessions and individuals are required to attend using their own transport.

Our Galleries Community Café offers a wide range of hot and cold meals, snacks and drinks in a warm and friendly atmosphere. The Café is open to members of the public and visitors to the centre and Support Groups. The CIL and MGLC's well-equipped meeting and training rooms are also available for hire, with catering facilities available, if you’re looking for somewhere to host your own group or meeting.

**Listening and Advocacy**

Get your voice heard locally by attending our ‘Staying Connected’ meetings at our Centre for Independent Living, which provide a forum for the exchange of ideas and information about local services. Sessions are open to all who have long term health condition or disability (physical, mental health, sensory or learning difficulty), carers and representatives of support groups/organisations and statutory services.

We organise the Warrington’s Appreciation of Efforts Awards, which provide an opportunity for disabled people and carers to nominate local employers, businesses, service providers or individuals who deserve recognition for promoting independence, delivering accessible and/or inclusive services or maintaining exemplary employment practices for disabled people and/or carers.

**How You Can Help Us**

Do you want to share or learn new skills, develop skills to help you move into employment, give something back to your local community or offer support to other volunteers? Whatever the reasons, this can be achieved by volunteering at WDP across many of our services. Why not support our unfunded services by holding your own event, taking part in a challenge or attend one of our own exciting events held throughout the year? We’re always looking for people to help out with the various events we attend to help raise funds for WDP.

Visit our website: [www.disabilitypartnership.org.uk](http://www.disabilitypartnership.org.uk) for details of forthcoming events or follow us on Facebook: [www.facebook.com/disabilitypartnership](http://www.facebook.com/disabilitypartnership) or on Twitter: [@WDPcomms](http://www.facebook.com/disabilitypartnership).

For further information on any of these services, including how you can be involved as a WDP Volunteer, please contact the team on 01925 240064.

In total over £1 million has been raised by charities and community groups during the past 27 DAD events

Help when you need it most
We can all benefit from a bit of extra help at some stage in our lives. This could be due to age, ill-health, disability, mental health problems, financial worries or language barriers.

Registering for Priority Services is free and means you will benefit from additional services to support your particular needs, such as:

- Bills in braille, large print, coloured paper or even ‘talking’ bills and text relay service
- Nominate a carer, family member or friend to speak to us on your behalf
- Protection from bogus callers with a password protection scheme
- Support for dialysis patients
- Knock and wait service, giving you extra time to answer the door
- Letting you know if there’s going to be an interruption to your water supply, plus alternative water supplies if your water is likely to be off for more than 12 hours
- Help if you’re struggling to pay your water bill or have debt problems
- Translation services over the phone or via our website
- If eligible, we could even register you for Priority Services for electricity too!

So if you, or someone you know would appreciate a little bit of extra help, come and visit the United Utilities stand and register for free today. If you don’t get a chance, call our dedicated team on 0345 072 6093 or visit unitedutilities.com/priorityservices

Who are we?

We are a not-for-profit community interest company, specialising in inclusive drama, music, sports and healthy living activities for young people and adults with disabilities and/or autism.

We use dramatherapy techniques to support individuals to express themselves, communicate, develop self-confidence and self-esteem, and the skills they need to maximise their independence and achieve their goals in life. We do this by focusing on what individuals can do and would like to be able to do in the future, and we use symbols, pictures, photographs and whatever works best to help them to communicate, make sense of the world and their routines.

Our base in Wigan has been specially designed to meet the diverse needs of our students. It is level access and benefits from a large studio space, hygiene room, quiet space and a Snoezelen (sensory room).

Find us at:
Unit 2 The Edge, Pottery Terrace,

ABOUT CATALYST

Catalyst Choices enable older adults, adults with dementia and adults with learning disabilities and autism to live well in our Warrington Community through a broad range of specialist adult social care services. Choice is fundamental to our mission, which is why we offer a huge range of facilities and care services for people with profound needs and dependencies and their friends & families. With fully individual support plans, tailored activities and flexible staff, we are able to ensure that the clients are the focus of our support.

Catalyst Choice

DAY OPPORTUNITIES: At Catalyst, we offer day care opportunities for both older adults and adults with learning disabilities & autism, enabling individuals to integrate into their communities and socialise with new people on a daily basis. Catalyst offer a broad range of community groups who come together to achieve positive change, encourage independence and maintain health & well-being for all of our clients.

SHARED LIVES: In our community, sometimes not everyone has access to friends & family that they can connect with, so at Catalyst we try to do just that. Shared Lives is where someone who needs a little extra support to live well is matched with a Shared Lives Companion who they share similar interests with, so they can comfortably spend time with them on a daily basis through regular visits, with some companions offering full-time supportive care to our clients in their own homes.

Catalyst Lives

RESIDENTIAL CARE: Our refurbished hub at Woodleigh offers residential living in a home-from-home environment for older adults who require a more supported environment or specialist dementia care. Our Woodleigh team take pride in organising weekly events for residents to participate in, as well as from music and dance, as we try to encourage as much socialisation and movement as possible.

SHORT BREAKS RESID: Our specialist designed facilities offer short break respite care for adults with a learning disability & autism, in a modern, fit-for-purpose environment. Our team work hard to promote independence, dignity and respect for our clients who have complex and multiple disabilities whilst using the short breaks respite as an opportunity to provide both the client and their full-time carers with a break when needed.

Catalyst Care

SUPPORTED LIVING: Our Supported Living communities offer support services for older adults in their own homes, combining independent living with domiciliary and housing support where needed. This service aims to provide any care necessary to support independence, so this can include personal care, support with re-learning skills, assistance with medication and general well-being checks.

Catalyst Community

SUPPORTED TENANCIES: Catalyst Choices offers 24 hour living care within our supported tenancies, providing support services for adults with a range of learning disabilities. Our supported tenancies team support small groups of tenants to learn valuable skills, maintain independence and integrate within their communities as active participants of a range of activities within Warrington.

Charity begins at home

but it doesn’t end here

St Mark Universal Copts Care works in conjunction with the Warrington Disability Partnership to provide mobility and other community equipment to some of the world’s poorest people.

The Phoenix Project is the result of a powerful local partnership, taking unwanted equipment from the UK and refurbishing it to provide for those in need.

This year, the Phoenix Project has:

- Delivered over £527,000 worth of equipment to Egypt and Syrian refugee camps for distribution to vulnerable people
- Provided 3000 pieces of new and refurbished disability equipment, such as wheelchairs, walkers, hoists, medical beds and chairs, zimmer frames and specialist mattresses
- Created local employment in Warrington
- Recycled equipment that would otherwise have been destined for landfill

Visit us in Marquee 2 to find out about this and other local projects and how you can get involved.

Supporting our communities to live life well
Times are tough for everyone right now, but if you are a disabled person in work or are seeking work, the problems are even more acute. At a time when services are being cut and jobs are being lost, disabled people are under attack both as staff and service users. It’s enough to keep you awake at night.

Disabled people make up 16% of people of working age but less than half are in work. UNISON's job is to look after our members in the workplace to ensure that this doesn't happen and our reps are trained to understand the issues faced by disabled people.

But UNISON doesn’t only help members in the workplace. We know the terrible impact disabled members are facing due to the government’s welfare reforms and of the changes to Disability Living Allowance, the very benefit which allows our members to work and lead an independent life.

So, there’s never been a better time to join UNISON and get essential cover wherever you work.

**Three simple ways to join UNISON today and get essential cover wherever you work**

- **Join online at joinunison.org**
- **Call us on 0800 171 2193**
- **Ask your UNISON rep for an application form**

The Disability Trading Company (DTC) is WDP’s social enterprise / trading arm. Launched in 2010, DTC was built on two decades of WDP’s experience. Together we have developed a national reputation for our unique user led philosophy and willingness to work in partnership. Offering a wide range of high-quality mobility and independent living products at competitive prices. From basic daily living products to bespoke seating, stair-lifts and access ramps, mobility scooters, powered and manual wheelchairs, rise and recline chairs, adjustable beds, ramps, bath seats and much more.

Backed up by an extensive range of support services, and for visitors to our Warrington Centre for Independent Living they will find a purpose built workshop and service centre, a mobility test and training track and our Galleries Café. Our retail services are located at the Centre for Independent Living (CIL), the Lifehouse at Brunswick Dock, Liverpool, our Mobility and Independent Living Stores in the Golden Square and another at Warrington Hospital. We offer a wide range of pre-owned products from our Shopmobility Scheme also located in the Golden Square. A range of assistive technology solutions is available on sale at our Smart Flat located adjacent to the CIL.

Thanks to our partners “St Mark Universal Copts Care”, our Phoenix Project continued to refurbish and ship wheelchairs and other mobility aids to charities in Egypt, Thailand and Syria. During 2018, we were proud to have secured a Motability dealership, which allows people to use their enhanced mobility component of DLA or PIP to lease a power-chair or mobility scooter. We added interest free finance and three months free insurance offers, and we extended our product range with several new dealerships including Quantum Power-chairs. We strengthened our relationship with the British Health Trades Association, underlining our belief in their “Buy with Confidence” scheme that is accredited to Trading Standards. During the past year we were honoured to have been shortlisted in a number of local and national awards including the Warrington Business Awards and AMP Magazine Awards.

What makes DTC unique?
- Our service was founded on the philosophy of Information, Advice and Guidance, not just sales.
- We do not have any private shareholders, 100% of profits go to support the work of Warrington Disability Partnership.
- None of our staff receives incentive bonuses.
- We only supply products that we believe to be right for our customer’s needs, not simply those that we will earn us most money.
- We do not sell products to customers if we feel that they cannot operate it safely.
- We never artificially inflate prices just so that we can discount them. We always charge a fair and realistic price.
- Hundreds of volunteer hours contribute to reducing our overheads, which result in savings that are passed on to our customers.
- We use the life experience of our staff, volunteers and customers to develop the services and ensure we offer the right products.

Warrington Borough Council
Laura Atkinson – WDP
Social Media and Communications.
Laura coordinates all of our Social Media campaigns in the lead up and post event. Laura is constantly thinking of new ideas and promotions to advertise the event.

Abigail Gartland - WDP DAD Administration.
Returning from University to Team WDP for the summer months, Abbie supports the DAD Administration Team with many tasks in the run up to the event. This includes working with Esstta and Ebony collecting prizes for our Mega Quiz Night.

Gavin Gibbons
Walton Hall and Gardens Head Ranger.
Gavin will be keeping a watching brief on our careful use of the grounds of Walton Hall. His team of rangers provide valuable support to the onsite DAD week team.

Derek Jones – WDP - Deputy Chief Executive.
Co-ordinates the positive action schools event, our WDP stalls and provides support to all WDP Team Members. Derek also compères our Mega Quiz Night in the Park.

Sue McMillan - WDP.
New to the team for 2019, Sue coordinates the entertainment bookings for the Arts Marquee and Main Arena. She also supports Dave with the general logistics for the event.

John Munslow – WDP
Joint Deputy Head Steward and member of the DAD Week Team.
John plays an active role in all DAD Week activities and leads on the storage and itinerary of all DAD related equipment. On Sunday, you will find him staffing the Steward’s Control Point with Peter.

Kate Picken – WDP
DAD Administration.
Oversees the booking of exhibitor spaces for the event and programme advertising, as well as providing administration support for DAD Stewards. As our Fundraising lead, Kate also oversees all of fundraising activities during the week.

Craig Thomason – Warrington Wolves Foundation.
Co-ordinates the ‘Dave Connor Sports Zone’, as well as organising the DAD Party in the Park, one of our DAD week events for disabled children and young people. The Warrington Wolves Foundation is DAD's official sports partner for this years’ event.

Caroline Thompson – WDP Head of Corporate Services & DAD Senior Administration.
Caroline oversees the administration and finances for the event, overseeing the Stewards registrations and locations, communications, DAD programme content, as well as co-ordinating the VIP Reception for sponsors and supporters.

Dave Thompson MBE DL – WDP Chief Executive and Event Founder & Co-ordinator.
Even after 26 years works tirelessly all year round, constantly looking at ways to improve and develop the event further and always on the lookout for businesses and people to support the event. He is the originator of the sayings “Team WDP and DAD’s Army”. Dave coordinates the logistics for the event, all of which take months of planning.

Gavin Thompson – WDP Head Steward and member of the DAD Week Team.
Gavin has grown up with DAD, taking part in the very first DAD event at the age of 12. Dave’s son and future Co-ordinator! As WDP’s Commercial Director, he also coordinates the exhibition stands for the Disability Trading Company.

Pam Thompson – WDP Honorary President.
Mrs DAD. Completes the final exhibitor packs mail out with Brun and organises the DAD Week Team, which includes making sure they are kept fed and watered at ‘Pam’s Café’. Being married to Dave also means being married to DAD.

Dave Williams – WDP Trustee
Joint Deputy Head Steward and member of the DAD Week Team
Dave is also our highways signage expert and is constantly on the lookout for new ideas and opportunities. As the Trustee lead for fundraising and promotions, Dave plays an active role in all DAD Week events.

Janis Williams – WDP
DAD Week Events
Co-ordinates the logistics of all of our DAD Week Events, liaising with the organisers to ensure that these all run smoothly. Janis, alongside husband Dave, also coordinates the signage for the event. Despite retiring from WDP at the end of March this year, she still plays an active role in the event.
